Energy rating and score

This property’s energy rating is D. It has the potential to be C

[See how to improve this property’s energy efficiency.](#)

The graph shows this property’s current and potential energy rating

Properties get a rating from A (best) to G (worst) and a score. The lower the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

- the average energy rating is D
